Opportunity in Crevillente: plot of 413 m² for housing or investment

This exclusive urban plot in Crevillente offers a unique opportunity to build your dream home or invest in a residential project. With an area of 413 m² distributed over two floors, this plot is located in a privileged area with fantastic views of the surrounding area, combining tranquility and proximity to all essential services.

Thanks to its classification as urban land, the plot is ready to build, offering multiple design and distribution possibilities. Its spaciousness allows you to develop a spacious residence with gardens, terraces or even several housing units, maximizing its potential and profitability.

In addition to its stunning views, this plot stands out for its excellent location in Crevillente, a town with a rich history, complete services and an enviable natural environment. The area offers easy access to schools, shops and health centers, ensuring comfort and quality of life for its future
