Second villa - 950.000€

With a similar layout to the first villa, the second property offers a slightly different option, as it does not have the double-height living room or the garage. Even so, it maintains the exceptional quality and design, with ample spaces, private terrace and individual pool.

Both villas are located just 5 minutes from the centre of Calpe, in a privileged location with views of the sea and the Peñón de Ifach.
